

Denver County **KIDS IDENTIFIED WITH DYSLEXIA**

Experience Dyslexia Simulation Event Details:

In recognition of Dyslexia Awareness Month, DenCoKID is excited to be able to offer a free simulation to the Denver community.

Participants will experience some of the challenges and frustrations faced by people with attention, processing and language-based learning differences. Participants are guided through six learning tasks commonly encountered in the classroom or workplace. These activities are followed by a 30-minute group discussion, focussed on experiences shared and lessons learned, also allowing time for Q&A.

This eye-opening experience benefits everyone, including parents, grandparents, guardians, caregivers, educators, principals, coaches, employers, clergy, and anyone with an interest in dyslexia or learning differences..

Light refreshments will be provided and childcare for school-aged children is available upon [request](#) via email.

Attendee arrival and parking instructions for event location: 3239 E. 2nd Avenue | Denver, CO 80206

- Please plan to arrive 10-15 min early to check in and enjoy a snack
- All materials will be provided by DenCoKID so no need to bring anything except possibly a water bottle or coffee cup
- Global has a parking garage under the building, which is accessed from the west side of the building via the alley.
- When driving on E. 2nd Avenue, turn north into the alley and then turn right into the parking garage (it slopes downward).
- Press the top call button to connect with the receptionist. The receptionist will open the garage door.
- Please park anywhere on P1 or P2 that isn't reserved.
- There is a set of 2 elevators that will take you to the lobby (L). You can check-in with a DenCoKID volunteer at a table in the lobby
- At the end of the event, when exiting the garage, the door will detect your vehicle and open automatically.
